

TRANSMITS MATTERS OF IMPORTANCE TO COUNCIL

Resolutions, With Mayor's Recommendations, Come Before City Council Tuesday.

Mayor Ainslie yesterday forwarded to City Clerk Alfred H. McDowell to be transmitted to the City Council next Tuesday night several important business matters. The items are in the form of resolutions to be offered, and they will be accompanied by a message explaining them. The Mayor recommends a resolution to provide an additional appropriation of \$17,000 for the completion of the grading and graveling of the Monument Avenue extension. An appropriation of \$14,000 has already been made available for that work. When the contract was awarded last month it was for grading and graveling as far as the approach on the hand would go. That Council will grant the additional appropriation is regarded as a foregone conclusion. Another resolution forwarded by the Mayor calls for an appropriation of \$17 to pay a claim of the Chesapeake and Ohio Railway Company against the city of Richmond for damage on account of certain shipments of materials to city departments. A joint resolution is recommended calling for an appropriation of \$18,000 for the construction of a sewer in Highland Park. Appropriation of \$3,000 for sewers in Grove Avenue and other streets in the western part of the city is urged and the Mayor likewise recommends that the City Attorney be instructed to take such steps as may be necessary to acquire the property on the south side of Broad Street, near Twelfth, which is desired as a site for a new city building to be occupied by the Juvenile and Domestic Relations Court, and for such other purposes as may be deemed advisable.

HELD THEM AT BAY

Mrs. David Mountain Is Pined for Menacing Police in Search for Storing Ardent Spirits.

Armed with a search warrant, two policemen went to the home of David Mountain, 306 East Tenth Street, Friday night in search for ardent spirits that Mountain has been alleged to have been storing. At the door they were met by Mrs. Mountain, who is said to have held them at bay for about ten minutes at the point of a revolver. She finally permitted them to enter and eleven bottles of corn whisky were alleged to have been found.

At the same time that the officers were searching the home of Mountain, four other policemen raided a store at 1425 1/2 Street, conducted by David Mountain and Sam Chinross.

At this place seven pints of ardent spirits were found according to the police. Mrs. Mountain was fined \$5 for threatening to shoot the policemen and for interfering with them in the discharge of their duty.

Children and Mountain are charged only with storing ardent spirits.

In addition to the stills, about 2,000 gallons of mash was seized and destroyed with the paraphernalia, all valued at about \$1,000. A pair of mules and an automobile were seized in connection with the raid.

Pamela Leads in Names for Girls, Muriel Second

[By Universal Service.]

LONDON, Sept. 5.—"Pamela" has become the most fashionable girls' name of the moment in England. Clergymen who have looked up the registers for the past twenty years have discovered that Muriel, Gladys, Daisy, Madge, Marjorie, Doris, Ethel and Maud are also favorite names. Slightly less popular are Mary, Elizabeth, Caroline, Ann, Frances, Jane, Fidelity and Miriam. But there has been a slump in such biblical names as Rachel, Deborah, Doreen and Naomi. John, William and Richard will have the bulk on Rupert and Cyril among boys' names.

ALLEGES DELAY OF WESTERN UNION HASTENED DEATH

Suit for \$5,000 Damages Instituted in Richmond Court Against Telegraph Company.

Alleging that failure of the Western Union Telegraph Company to deliver a message sent from the Catawba Sanatorium to W. S. Gauding, of Richmond, hastened the death of Willie Pearl Gauding, suit was entered in City Circuit Court yesterday by William S. Gauding, administrator, against the telegraph company to recover \$5,000 damages.

In the declaration Haw and Haw, counsel for the plaintiff, set forth that the deceased woman was suffering from tuberculosis and applied for admittance to the sanatorium. There was no place immediately vacant and she was placed on the waiting list.

When the officials of the sanatorium later wired the patient was not delivered, the complaint alleges. Her belief made came when she received a letter from the sanatorium advising time for her to reply to the telegram the authorities had admitted another

patient in her place. A few weeks later Miss Gauding died. Her administrator alleges that if she had been admitted to the sanatorium at the time the telegraphic invitation was sent, but not delivered, she might have been cured on her life prolonged. The case is the only one of its kind on record in the courts here.

Decided Style Changes in Men's Fall Clothes

The designing that marks this season's models embraces welcome changes—a shorter vent, a lower, less restricted waist, and a more graceful fullness to the entire coat.

There's an easy smartness about these clothes that sharply distinguishes them from the styles of the past two or three seasons and from the models being shown elsewhere this fall.

Society Brand Clothes maintain their style leadership. They are the first to break away from the influence that military uniforms have had upon clothes styles—styles of which men are becoming tired.

Come in and see the latest, the final in style, in the most approved of fabrics.
